Arlington Special Education Parent Advisory Committee (SEPAC) is a parent group that acts as a resource for parents and advises the district regarding meeting the needs of students with special needs. We provide support and networking opportunities for parents and guardians of children with special educational needs, offer workshops and guest speakers to help parents become better informed about special education issues. We meet regularly with school officials to participate in the planning, development and evaluation of special education programs in town.

We hope you will join us!
